ONE-TIME PROJECTS

Start here: Free Google Visibility Check — **Free**

We check how you show up on Google, Google Maps, and AI answers, and send you a 1-page report. Then we tell you honestly which plan fits, or that you do not need one yet.

Get Found Setup — **$750** ($500 with a new site)

Google listing built out and verified, a review kit with 250 printed cards, Search Console, main directories, and a 90-day before-and-after check.

Website Build — **$2,800**

A hand-coded, mobile-first 5-page website. Half up front, half at launch.

Direct Booking Website — **$2,800**

Your own booking site for short-term rentals, with payments wired in.

AI Search (GEO) Foundations — **$1,200**

Business info fixed everywhere, 3 key pages rewritten answer-first, and structured data added.

Automations (Axis Labs) — **$750–$2,500**

Lead alerts, review requests, calendar sync, and weekly reports. Upkeep is in Grow, or $150–$300/month.

Email, Phone & Payments Setup — **Fixed quote**

Business email on your domain, a number that rings your whole team, and card payments.
